

Firefighters Association of Missouri Auxiliary

The Fire Fighters Association of Missouri Auxiliary is a service organization that has been established to assist the Fire Fighter's Association of Missouri. Through fundraising efforts and volunteering, we support the Missouri Fire Service Funeral Assistance Team, and the FireFighters Memorial Foundation of Missouri, just to name a few. We are able to use our donations to help these FFAM sponsored organizations across the Great State of Missouri.

We currently have 6 officer positions to serve you! We meet 6 times a year (every other month) at the Sedalia Firehouse on the Fairgrounds.

If you have any questions or comments on joining, please see or call one of our Auxiliary officers:
